## SirsiDynix Launches New Corporate Web Site

**SirsiDynix.com now the one source for all SirsiDynix information**

**SAN ANTONIO, Jan. 23, 2006** – SirsiDynix, the global leader in strategic technology solutions for libraries bringing knowledge to people and communities, announced today the launch of the new SirsiDynix Web site at [www.sirsidynix.com](http://www.sirsidynix.com). The new site brings together SirsiDynix information that was previously available at [www.sirsi.com](http://www.sirsi.com) and [www.dynix.com](http://www.dynix.com) – including strategic technology solutions, news and events, partnerships and resources to benefit libraries.

Among the site's new features are RSS newsfeeds for press releases and blogs and an updated press room – containing new images of SirsiDynix solutions and people and links to recent articles about SirsiDynix. Future plans for the new site include multi-language content in Arabic, Chinese, French, German and Spanish.

The following SirsiDynix-supported Web sites are accessible through links on the new SirsiDynix Web site:

- **Client Care:** SirsiDynix's two client care Web sites will remain separate and at their current URLs for the near term.
- **SirsiDynix Institute:** With a new home on the Web at [www.sirsidynixinstitute.com](http://www.sirsidynixinstitute.com), the SirsiDynix Institute provides free access to industry-leading speakers in an ongoing forum for professional development in the library community.
- **Normative Data Project for Libraries:** Information about the Normative Data Project for Libraries – providing library decision makers with access to powerful library, geographic and demographic data on libraries throughout North America – can be found at [www.libraryndp.info](http://www.libraryndp.info).
- **Stephen Abram's Blog for Library Professionals:** Stephen Abram's blog at <http://stephenslighthouse.sirsi.com> presents his latest insights into the future of libraries and librarianship.

###

**About SirsiDynix**

SirsiDynix is the global leader in strategic technology solutions for libraries – vital institutions whose primary mission is to make sense of the vast world of information for people and communities. This is an exciting role as libraries assist people in discovering and using knowledge, resources and other valuable content for their educations, jobs and entertainment. In concert with key industry partners, SirsiDynix supports this strategic role for libraries by offering a comprehensive integrated suite of technology solutions for improving the internal productivity of libraries and enhancing their capabilities for meeting the needs of people and communities. SirsiDynix has approximately 4,000 library and consortia clients, serving more than 200 million people through more than 20,000 library outlets in the Americas, Europe, Africa, the Middle East and Asia-Pacific.
