

SirsiDynix Celebrates its 18th Connection now Available for Digital Resource Platform eResource Central

July 29th, 2019, Lehi, UT— SirsiDynix announced today its 18th content connection for eResource Central, their electronic resource integration for discovery. Libraries with content subscriptions for any of the vendors and/or products below can now offer discoverable and direct access from Enterprise—SirsiDynix’ premier discovery platform. Available connections include:

Baker & Taylor	MackinVIA	Project Gutenberg
BiblioBoard	Macrive	Rbdigital
Bolinda BorrowBox	Odilo	Rbdigital Magazines
cloudLibrary	Open Library	Rbdigital Package
Freegal Music	OverDrive	Ulverscroft
Hoopla	PretNumerique.ca	Wheelers

SirsiDynix’ eResource Central brings eBooks, audiobooks, and more straight to the discovery interface. eResource Central makes it easy to access digital content straight from Enterprise, even when using Sirsidynix’ mobile application, BLUEcloud Mobile. They now partner with more content providers than any other digital content management tool. In addition, more vendors are constantly integrating with eRC adding even more catalogs of digital content.

“We are happy to be able to provide access to digital content from a wide variety of vendors,” said Nathan Peterson, SirsiDynix Product Manager. “We believe in the power of libraries and their mission to give equal access to

information. We want to be a part of that mission and will continue working to add new vendors and partnerships.”

“Whether it’s movies, tv shows, music, eBooks or eAudiobooks, we’re happy to help libraries connect with patrons in ways they expect,” said SirsiDynix CEO Bill Davison. “With eRC it’s exciting to have over a million titles available for checkout and instant access.”

About SirsiDynix

SirsiDynix believes in the power that libraries have to transform and shape their communities. That power is what inspires us to connect people with knowledge at more than 23,000 libraries around the world. SirsiDynix technology combines relevant resources with the best library user experience. With their Best-of-Breed approach, SirsiDynix gives libraries the greatest and most expansive range of options for their software. Complemented by the most experienced training, consulting, and support staff in the industry, SirsiDynix helps libraries to reach their highest potential while serving their communities.
