

## *SirsiDynix awarded a place on new ESPO Framework*

February 26, 2020, Watford UK – SirsiDynix is pleased to announce that it has been awarded a place as a supplier on the new [ESPO Library Solutions and Systems framework \(350-19\)](#). This framework offers a quick, simple and competitive route to procure library management systems, RFID solutions and self-service technology for libraries across the UK, including integration, training and associated support services.

The framework is available for use nationally by any public sector body in the UK and allows customers to access a range of library solutions. It is compliant with UK/EU procurement legislation and suppliers listed on the framework were assessed during the procurement process for their financial stability, track record, experience and technical & professional ability. These suppliers can be appointed using efficient and streamlined procurement processes; therefore, ensuring that customers obtain value-for-money solutions which meet their requirements.

For further information on this framework please contact [ICT@espo.org](mailto:ICT@espo.org) or [sales-uk@sirsidynix.com](mailto:sales-uk@sirsidynix.com)

### **About ESPO**

ESPO is a public sector owned professional buying organisation (PBO), specialising in providing a wide range of goods and services to the public sector for over 35 years. They offer a comprehensive, one-stop shop solution of over 25,000 catalogue products, 120 frameworks and bespoke procurement services, all with free support and advice available from their expert teams. To find out more, visit [www.espo.org](http://www.espo.org).

### **About SirsiDynix**

SirsiDynix believes in the power that libraries have to transform and shape their communities. That power is what inspires them to connect people with knowledge at more than 23,000 libraries around the world. SirsiDynix technology combines relevant resources with the best library user experience.
